Hello, APRIL 2011,

This plan was developed during my five (5) years visits to our local county jail. Many of the adult inmates were illiterate and reading the Bible to them was not as effective as had they been proficient in reading.

I prayed and prayed until GOD led me to do "Finger Teaching" for the inmates, accompanied with the Bible Reading.

Overtime, the attached message is what the LORD has developed.

After teaching this in the Greater South Florida Diocese Assembly in November 2010, many of the Saints requested this in writing. The hands included are only for visual thought; follow the suggested hand movements in the text to help you develop the message of Salvation by the BLOOD of JESUS CHRIST.

This had much affect during my Uganda, Africa trip in July/August, 2009. I taught this to more that 400 women and their children at a time, during several days in Gulu, Uganda, as they came for medical care from the 33 members of the medical team that traveled with me. I served as the Pastor with the team.

My interperter of Swahili help me convey the "One Minute Gospel." Some women wept and fell prostrate on the ground, after understanding this message of Salvation in Jesus Christ. I insisted the women go home and teach it to their husbands, sons, and their boyfriends; since they were not invited to come for medical care.

I called some of the women to stand and demonstrate this in their language and it had an even greater impact upon many more of them.

In Gulu, Uganda; A Korean Youth Church group was at my villa and they sang songs in Korean that I recognized, and I sang in English. After several songs, I called their Youth Pastor, who spoke perfect English, aside and taught him the "**One Minute Gospel.**" He promised to teach it to his Youth Church and take the teaching back to Korea.

November 2010 Clifford, my wife and I visited Israel for our 6<sup>th</sup> Pilgrimage. At the Garden Tomb, where Jesus rose from the dead, I taught our group of 29, that included Pastor Willie and Sandra Holley, of Palmetto, Florida the "**One Minute Gospel.**"

May this method add to the furtherance of the Gospel of the LORD JESUS CHRIST.

Yours in the Master's Service,
